To
Marc Sanders

I would not appreciate your misuse of authority as a US Coast Guard. It has really damaged the image of US Coast Guards. Being a member of a community service association (Hidden Ridge Community Association) means to serve the respective community not doing the opposite. Your (Marc Sanders's) act to harass and bully the community and racial profiling and discrimination is unacceptable. The US Coast Guard high authorities are informed of the incident.

You should tender a written apology otherwise an appropriate legal action and social action would be considered.

Respectfully,
Rev. Dr. Azhar Khan Ph.D.
